

TOWN OF FOND DU LAC WATER CONNECTION PERMIT

Permit No. _____

This Permit for connection to the Town of Fond du Lac Water System has been issued to the person and for the connection described below to be installed by the contractor authorized below.

This Permit is subject to the attached Standard Conditions.

If there is an existing private well upon the premises, a Permit to either abandon or to continue use of the private well is also required. If the premises are also to be connected to the sanitary sewer system, a separate Permit must be obtained for that connection.
