- b) **Definitions.** In this Chapter, unless the context or subject matter otherwise require:
- 1) “Owner” shall mean any person owning, harboring or keeping a dog or cat and the occupant of any premises on which a dog or cat remains or to which it customarily returns daily for a period of ten (10) days; such person is presumed to be harboring or keeping the dog or cat within the meaning of this Section.
 - 2) “At large” means to be off the premises of the owner and not under the control of some person either by leash or otherwise, but a dog or cat within an automobile of its owner, or in an automobile of any other person with the consent of the owner of said dog or cat, shall be deemed to be upon the owner’s premises.
 - 3) “Dog” shall mean any canine, regardless of age or sex.

- (4) “Cat” shall mean any feline, regardless of age or sex.
- (5) “Neutered” as used herein as describing a dog or cat shall mean a dog or cat having nonfunctional reproductive organs.
- (6) “Animal” means mammals, reptiles and birds.
- (7) “Cruel” means causing unnecessary and excessive pain or suffering or unjustifiable injury or death.
- (8) “Law Enforcement Officer” has that meaning as appears in Sec. 967.02(5), Wis. Stats., and includes a humane officer under Sec. 58.07, Wis. Stats., but does not include a conservation warden appointed under Sec. 23.10, Wis. Stats.
- (9) “Farm Animal” means any warm-blooded animal normally raised on farms in the United States and used for food or fiber.
- (10) “Pet” means an animal kept and treated as a pet.

SEC. 7-1-2 RABIES VACCINATION REQUIRED FOR LICENSE.

- a) **Rabies Vaccination.** The owner of a dog shall have the dog vaccinated against rabies by a veterinarian within thirty (30) days after the dog reaches four (4) months of age and revaccinated within one (1) year after the initial vaccination. If the owner obtains the dog or brings the dog into the Town of Fond du Lac after the dog has reached four (4) months of age, the owner shall have the dog vaccinated against rabies within thirty (30) days after the dog is brought into the Town unless the dog has been vaccinated as evidenced by a current certificate of rabies vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian before the date of that immunization expires as stated on the certificate of vaccination or, if no date is specified, within three (3) years after the previous vaccination. The certificate of vaccination shall meet the requirements of Sec. 95.21(2), Wis. Stats.
- b) **Issuance of Certificate of Rabies Vaccination.** A veterinarian who vaccinates a dog against rabies shall complete and issue to the owner a certificate of rabies vaccination bearing a serial number and in the form approved by the Town stating the owner’s name and address, the name, sex, spayed or unspayed, neutered or unneutered, breed and color of the dog, the date of the vaccination, the type of rabies vaccination administered and the manufacturer’s serial number, the date that the immunization expires as specified for that type of vaccine by the Center for Disease Control of the U.S. Department of Health and Human Services and the Town.
- c) **Copies of Certificate.** The veterinarian shall keep a copy of each certificate of rabies vaccination in a file maintained for this purpose until the date that the immunization expires or until the dog is revaccinated, whichever occurs first.
- d) **Rabies Vaccination Tag.** After issuing the certificate of rabies vaccination, the veterinarian shall deliver to the owner a rabies vaccination tag of durable material bearing the same serial number as the certificate, the year the vaccination was given and the name, address and telephone number of the veterinarian.
- e) **Tag to be Attached.** The owner shall attach the rabies vaccination tag or a substitute tag to a collar and a collar with the tag attached shall be kept on the dog at all times, but this

requirement does not apply to a dog during competition or training, to a dog while hunting, to a dog securely confined indoors or to a dog securely confined in a fenced area. The substitute tag shall be of a durable material and contain the same information as the rabies vaccination tag. The requirements of this paragraph do not apply to a dog which is not required to be vaccinated under Subsection (a).

- a) **Duplicate Tag.** The veterinarian may furnish a new rabies vaccination tag with a new serial number to an owner in place of the original tag upon presentation of the certificate of rabies vaccination. The veterinarian shall then indicate the new tag number on the certificate and keep a record in the file.
- b) **Cost.** The owner shall pay the cost of the rabies vaccination and the cost associated with the issuance of a certificate of rabies vaccination and the delivery of a rabies vaccination tag.

SEC. 7-1-3 ISSUANCE OF DOG AND KENNEL LICENSES.

a) Dog Licenses.

- 1) It shall be unlawful for any person in the Town to own, harbor or keep any dog more than five (5) months of age without complying with the provisions of Sec. 174.05 through Sec. 174.10, Wisconsin Statutes, relating to the listing, licensing and tagging of the same.
- 2) The owner of any dog more than five (5) months of age on January 1 of any year, or five (5) months of age within the license year, shall annually, or on or before the date the dog becomes five (5) months of age, pay a license tax and obtain a license.
- 3) The minimum license tax under this Section shall be in accordance with the Board's current fee schedule.
- 4) Upon payment of the required license tax and upon presentation of evidence that the dog is currently immunized against rabies, as required by Section 7-1-2 of this Chapter, the Town Treasurer or his/her deputy shall complete and issue to the owner a license for such dog containing all information required by state law. The Treasurer or his/her deputy shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year.
- 5) The owner shall securely attach the tag to a collar and the collar with the tag attached shall be kept on the dog for which the license is issued at all times, except as provided in Section 7-1-2(e).
- 6) The fact that a dog is without a tag attached to the dog by means of a collar shall be presumptive evidence that the dog is unlicensed. Any Town law enforcement or humane officer shall seize, impound or restrain any dog for which a dog license is required which is found without such tag attached. Each day that any dog within the Town continues to be unlicensed constitutes a separate offense for which a separate penalty applies.
- 7) Notwithstanding the foregoing, every dog specifically trained to lead blind or deaf persons is exempt from the dog license tax, and every person owning such a dog shall receive annually a free dog license from the Town Treasurer or his/her deputy upon application therefor.

b) **Kennel Licenses.**

- 1) Any person who keeps or operates a kennel may, instead of the license tax for each dog required by this Chapter, apply for a kennel license for the keeping or operating of the kennel. Such person shall pay for the license year a license tax in accordance with the Board's current fee schedule for a kennel. Upon payment of the required kennel license tax and, if required by the Board, upon presentation of evidence that all dogs over five (5) months of age are currently immunized against rabies, the Treasurer or his deputy shall issue the kennel license and a number of tags equal to the number of dogs authorized to be kept in the kennel.
- 2) The owner or keeper of a kennel shall keep at all times a kennel license tag attached to the collar of each dog over five (5) months old kept by the owner or keeper under a kennel license but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. No dog bearing a kennel tag shall be permitted to stray or to be taken anywhere outside the limits of the kennel unless the dog is in leash or temporarily for the purposes of hunting, breeding, trial, training or competition.

SEC. 7-1-4 LATE FEES.

The Town Treasurer shall assess and collect a late fee of Five Dollars (\$5.00) from every owner of a dog five (5) months of age or over if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached licensable age. Said late fee shall be charged in addition to the required license fee.

SEC. 7-1-5 RABIES QUARANTINE.

- a) **Dogs and Cats Confined.** If a district or neighborhood is quarantined for rabies, all dogs and cats within the Town shall be kept securely confined, tied, leashed or muzzled. Any dog or cat not confined, tied, leashed or muzzled is declared a public nuisance and may be impounded. All officers shall cooperate in the enforcement of the quarantine. The Town Clerk shall promptly post in at least three (3) public places in the Town notices of quarantine.
- b) **Exemption of Vaccinated Dog or Cat from Town Quarantine.** A dog or cat which is immunized currently against rabies, as evidenced by a valid certificate of rabies vaccination or other evidence, is exempt from the Town quarantine provisions of Subsection (a) if a rabies vaccination tag or substitute tag is attached to the dog's or cat's collar.
- c) **Quarantine or Sacrifice of an Animal Suspected of Biting a Person or Being Infected or Exposed to Rabies.**
 - 1) Quarantine or sacrifice of dog or cat. A law enforcement, humane or animal control officer shall order a dog or cat quarantined if the officer has reason to believe that the animal bit a person, is infected with rabies or has been in contact with a rabid animal. If a quarantine cannot be imposed because the dog or cat cannot be captured, the officer may

kill the animal. The officer may kill a dog or cat only as a last resort if the owner agrees. The officer shall attempt to kill the animal in a humane manner and in a manner which avoids damage to the animal's head.

- 2) Sacrifice of other animals. A law enforcement, humane or animal control officer may order killed or may kill an animal other than a dog or cat if the officer has reason to believe that the animal bit a person or is infected with rabies.

d) **Quarantine of Dog or Cat.**

- 1) Delivery to isolation facility or quarantine on premises of owner. A law enforcement, humane or animal control officer who orders a dog or cat to be quarantined shall deliver the animal or shall order the animal delivered to an isolation facility as soon as possible but no later than twenty-four (24) hours after the original order is issued or the officer may order the animal to be quarantined on the premises of the owner if the animal is immunized currently against rabies as evidenced by a valid certificate of rabies vaccination or other evidence.

- 2) Health risk to humans. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal bit a person, the custodian of an isolation facility or the owner shall keep the animal under strict isolation under the supervision of a veterinarian for at least ten (10) days after the incident occurred. In this paragraph, "supervision of a veterinarian" includes, at a minimum, examination of the animal on the first day of isolation, on the last day of isolation and on one (1) intervening day. If the observation period is not extended and if the veterinarian certifies that the dog or cat has not exhibited any signs of rabies, the animal may be released from quarantine at the end of the observation period.

- 3) Risk to animal health.

- a. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal and if the dog or cat is not currently immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for one hundred eighty (180) days. The owner shall have the animal vaccinated against rabies between one hundred fifty-five (155) and one hundred sixty-five (165) days after the exposure to a rabid animal.
- b. If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal but if the dog or cat is immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for sixty (60) days. The owner shall have the animal revaccinated against rabies as soon as possible after exposure to a rabid animal.

- 4) Sacrifice of a dog or cat exhibiting symptoms of rabies. If a veterinarian determines that a dog or cat exhibits symptoms of rabies during the original or extended observation period, the veterinarian shall notify the owner and the officer who ordered the animal quarantined and the officer or veterinarian shall kill the animal in a humane manner and in a manner which avoids damage to the animal's head. If the dog or cat is suspected to have bitten a person, the veterinarian shall notify the person or the person's physician.

- e) **Delivery of Carcass; Preparation; Examination by Laboratory of Hygiene.** An officer who kills an animal shall deliver the carcass to a veterinarian or local health department. The veterinarian or local health department shall prepare the carcass, properly prepare and package the head of the animal in a manner to minimize deterioration, arrange for delivery by

the most expeditious means feasible of the head of the animal to the State Laboratory of Hygiene and dispose of or arrange for the disposal of the remainder of the carcass in a manner which minimizes the risk or exposure to any rabies virus. The Laboratory of Hygiene shall examine the specimen and determine if the animal was infected with rabies. The State Laboratory of Hygiene shall notify the Town, the veterinarian or local health department which prepared the carcass and, if the animal is suspected to have bitten a person, that person or the person's physician.

- f) **Cooperation of Veterinarian.** Any practicing veterinarian who is requested to be involved in the rabies control program by an officer is encouraged to cooperate in a professional capacity with the Town, the Laboratory of Hygiene, the local health department, the officer involved and, if the animal is suspected to have bitten a person, the person's physician.
- g) **Responsibility for Quarantine and Laboratory Expenses.** The owner of an animal is responsible for any expenses incurred in connection with keeping the animal in an isolation facility, supervision and examination of the animal by a veterinarian, preparation of the carcass for laboratory examination and the fee for the laboratory examination. If the owner is unknown, the county is responsible for these expenses.

SEC. 7-1-6 RESTRICTIONS ON KEEPING OF DOGS, CATS, FOWL AND OTHER ANIMALS.

- a) **Restrictions.** It shall be unlawful for any person within the Town to own, harbor or keep any dog, cat, fowl or other animal which:
 - 1) Habitually pursues any vehicle upon any public street, alley or highway in the Town.
 - 2) Assaults or attacks any person or destroys property.

 - 7) In the case of a dog, is unlicensed.
- b) **Vicious Dogs and Animals.**
 - 1) For purposes of enforcing this Section, a dog shall be deemed as being of a vicious disposition if, within any twelve (12) month period it bites two (2) or more persons or inflicts serious injury to one (1) person in unprovoked circumstances off the owner's premises. Any vicious dog which is found off the premises of its owner other than as hereinabove provided may be seized by any person and, upon delivery to the proper authorities, may, upon establishment to the satisfaction of a court of competent jurisdiction of the vicious character of said dog, by testimony under oath reduced to writing, be killed by the law enforcement authorities.
 - 2) No person shall harbor or permit to remain on his/her premises any animal that is

habitually inclined toward attacking persons or animals, destroying property, barking excessively or making excessive noises or running after automobiles.

c) **Animals Running at Large.**

- 1) No person having in his/her possession or ownership any animal or fowl shall allow the same to run at large within the Town. The owner of any animal, whether licensed or unlicensed, shall keep his animal tied or enclosed in a proper enclosure so as not to allow said animal to interfere with the passing public or neighbors. Any animal running at large unlicensed and required by state law or Town Ordinance to be licensed shall be seized and impounded by a humane or law enforcement officer.
- 2) A dog shall not be considered to be running at large if it is on a leash and under control of a person physically able to control it.

d) **Owner's Liability for Damage Caused by Dogs; Penalties.** The provisions of Sec. 174.02, Wis. Stats., relating to the owner's liability for damage caused by dogs together with the penalties therein set forth are hereby adopted and incorporated herein by reference.

e) **Animal Feces.** The owner or person in charge of any dog or other animal shall not permit solid fecal matter of such animal to deposit on any street, alley or other public or private property, unless such matter is immediately removed therefrom by said owner or person in charge. This Section shall not apply to a person who is visually or physically handicapped.

- 2) The Town does hereby delegate any such animal control agency the authority to act pursuant to the provisions of this Section.

b) **Impounding of Animals.** In addition to any penalty hereinafter provided for a violation of this Chapter, any law enforcement or humane officer may impound any dog, cat or other animal which habitually pursues any vehicle upon any street, alley or highway of this Town, assaults or attacks any person, is at large within the Town, habitually barks, cries or howls, kills, wounds or worries any domestic animal or is infected with rabies. In order for an animal to be impounded, the impounding office must see or hear the violation of this Section or have in his/her possession a signed statement of a complaining witness made under oath alleging the facts regarding the violation and containing an agreement to reimburse the Town for any damages it sustains for improper or illegal seizure.

c) **Claiming Animal; Disposal of Unclaimed Animals.** After seizure of animals under this Section by a law enforcement or humane officer, the animal shall be impounded. The officer shall notify the owner, personally or through the U.S. Mail, if such owner be known to the officer or can be ascertained with reasonable effort, but if such owner be unknown or unascertainable, the officer shall post written notice in three (3) public places in the Town, giving a description of the animal, stating where it is impounded and the conditions for its

release, after the officer has taken such animal into his/her possession. If within seven (7) days after such notice the owner does not claim such animal, the officer may dispose of the animal in a proper and humane manner; provided, if an animal before being impounded has bitten a person, the animal shall be retained in the Animal Shelter for fourteen (14) days for observation purposes. Within such times, the owner may reclaim the animal upon payment of impoundment fees, such fees to be established by resolution of the Town Board. No animal shall be released from the pound without being properly licensed if so required by state law or Town Ordinance.

- d) **Sale of Impounded Animals.** If the owner doesn't reclaim the animal within seven (7) days, the animal warden may sell the animal to any willing buyer.
- e) **Town Not Liable for Impounding Animals.** The Town and/or its animal control agency shall not be liable for the death of any animal which has been impounded or disposed of pursuant to this Section.

- a) No person may sell, offer for sale, raffle, give as a prize or premium, use as an advertising device or display living checks, ducklings, other fowl or rabbits that have been dyed or otherwise colored artificially.

 - 2) Shelter from inclement weather.

If the authorities recommend denial, the authorities shall provide, in writing, the reasons for such recommendation.

SEC. 7-2-32 DURATION.

Licenses issued under the provisions of this Chapter shall be valid for a period of one (1) year and shall expire on the thirtieth (30th) day of June of each even year.

SEC. 7-2-33 OPERATOR’S LICENSE FEE; PROVISIONAL LICENSE; TEMPORARY LICENSE.

- a) **Fee.** The annual fee for an operator’s license or provisional license shall be in accordance with the Board’s current fee schedule for the term or part thereof, plus actual records check costs. The fee for a provisional license shall be in accordance with the Board’s current fee schedule.
- b) **Provisional license.** The Clerk may issue provisional operator’s licenses in accordance with Sec. 125.17(5), Wis. Stats. The provisional operator’s license shall expire sixty (60) days after its issuance or when an operator’s license is issued to the holder, whichever is sooner. The Clerk may, upon receiving an application for a temporary provisional license, issue such a license without requiring the successful completion of the approved program as described herein. However, such temporary license shall be used only for the purpose of allowing such applicant the privilege of being licensed as a beverage operator pending his successful completion of the approved program. A provisional license may not be issued to any person who has been denied an operator’s license by the Board or who has had his operator’s license revoked or suspended within the preceding twelve (12) months. The Clerk shall provide an appropriate application form to be completed in full by the applicant. The Town Clerk may revoke the provisional license issued if he discovers that the holder of the license made a false statement on the application.
- c) **Temporary license.** The Town Clerk may issue a temporary operator’s license, at no fee, provided that:
 - 1) This license may only be issued to operators employed by, or donating their services to, nonprofit corporations and organizations.
 - 2) No person may hold more than one (1) license of this kind per year.
 - 3) The license is valid for any period from one (1) day to fourteen (14) days, and the period for which it is valid shall be stated on the license.

SEC. 7-2-34 ISSUANCE OR DENIAL OF OPERATOR’S LICENSES.

- a) After the Town Board approves the granting of an operator’s license, the Clerk shall issue the license. Such licenses shall be issued and numbered in the order they are granted and shall give the applicant’s name and address and the date of the expiration of such license.
- b)
 - 1) If the application is denied by the Board, the Clerk shall, in writing, inform the applicant of the denial, the reasons therefore, and of the opportunity to request a reconsideration of the application by the Board in a closed session. The notice must be sent by registered mail to, or served upon, the applicant at least ten (10) days prior to the Board’s reconsideration of the matter. At such reconsideration hearing, the applicant may present evidence and testimony as to why the license should be granted.

An applicant who is denied any license upon reconsideration of the matter, may apply to Circuit Court pursuant to Sec. 125.12(2)(d), Wis. Stats., for review.

 - c. The appropriateness of the location and the premises where the licensed business is to be conducted; and
 - d. Generally, the applicant's fitness for the trust to be reposed.
- 2) If a licensee is convicted of an offense substantially related to the licensed activity, the Town Board may act to revoke or suspend the license.
- d) An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two (2) offenses which are substantially related to the licensed activity within the five (5) years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Town Board, the Town Board reserves the right to consider the severity, and facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Town Board, at its discretion, may, based upon an arrest or conviction record of two (2) or more offenses which are substantially related to the licensed activity within the five (5) years immediately preceding, act to suspend such license for a period of one (1) year or more.

The Town may require that the permittee furnish to the Town an analysis of any particular blasting log to be prepared by the permittee. In the event the permittee cannot or will not prepare a reliable analysis, the Town may obtain such analysis from an independent expert. The permittee shall be liable for the reasonable cost of such analysis if it is determined after an opportunity to be heard that this requirement was violated by the permittee. Each blasting log shall include, but not be restricted to, the following information:

SEC. 7-5-4 TEMPORARY PERMITS.

- a) **Temporary Permit Requirements.** The Town Clerk or Building Permit Issuer upon receipt of a properly completed temporary permit application form, may issue a temporary permit to allow for special construction or demolition activities requiring the use of explosives. Temporary permits shall be issued for a duration of fourteen (14) consecutive working days. The Town Board, in its discretion, may grant one (1) fourteen (14) day extension. Only one (1) temporary permit [and one (1) renewal] can be issued for any given site within the year of permit issuance. Applicants for temporary permits are required to provide financial assurance as specified in Section 7-5-4(b) and provide notice to all neighbors within five hundred (500) feet of the special construction or demolition activity.
- b) **Temporary Permit Categories.** Permits shall be in the following categories:
 - 1) Road, Sewer, Heavy Construction. The fee shall not exceed Five Hundred Dollars (\$500.00) determined by the Town Board based on the explosive use plan submitted by contractor or blaster.
 - 2) Construction Authorized by Town Board. Construction authorized by the Town Board for town use is exempt from the fee. Applicants for these permits are required to file financial assurances as specified in Section 7-5-3(b) and provide notice to all neighbors within five hundred (500) feet.

- 3) **Construction.** This category includes home building, septic systems, swimming pools, etc. The fee is included in the building permit. If blasting becomes necessary after the issuance of a building permit, a fee in accordance with the Town Board's current fee schedule will be assessed for the blasting permit. No bond is required. However, proof of insurance and notice to all neighbors within five hundred (500 feet is required).

SEC. 7-5-5 REGULATION OF BLASTING RESULTANTS.

- a) **Purpose of Section.** It is the purpose of this Section to provide for the establishment of uniform limits on permissible levels of blasting resultants to reasonably assure that blasting within the Town does not cause injury, damage or a nuisance to persons or property outside and beyond the permitted explosives use area.
- b) **Instrumentation.** All blast-monitoring instruments used to produce data to support compliance with this Subsection shall meet the following minimum specifications:
 - 1) **Seismic frequency range.** Two (2) to two hundred (200) Hz (± 3 Hz).
 - 2) **Acoustic frequency range.** Two (2) to two hundred (200) Hz (± 1 dB).
 - 3) **Velocity range.** 0.02 to four (4.0) inches per second.
 - 4) **Sound range.** One hundred (100) to one hundred forty (140) dB linear.
 - 5) **Transducers.** Three (3) mutually perpendicular axes.
 - 6) **Recording.** Provide time-history of wave form.

 - 8) **Calibration.** At least once every twelve (12) months according to manufacturer's recommendations.
- c) **Control of Adverse Effects Generally.** The permittee shall take necessary steps prescribed by the Town to control adverse effects from his activity.
- d) **General Requirements.** Blasting shall be conducted so as to prevent injury and unreasonable annoyance to persons and damage to public or private property outside the permitted explosives use area.
- e) **Airblast.**
 - 1) **Limits.** Airblast shall not exceed the maximum limits listed in Table A-1 at the location of any dwelling, public building, place of employment, school, church or community or institutional building outside and beyond the permitted explosives use area. Notwithstanding this general requirement, an annual permit holder subject to this limitation may exceed the limitation on up to five percent (5%) of the blasts it initiates during the period from January 1 to December 31 without violating this Ordinance, provided that the airblast produced by such blasts does not exceed the limitations on airblast imposed by the Wisconsin Department of Industry, Labor and Human Relations in Subsection ILHR 7.64(2), Wis. Adm. Code, as amended from time to time.

Table A-1

Airblast Limits

Lower Frequent Limit of Measuring System in Hz	Maximum Level in dB
2 Hz or lower – Flat response	123 peak
6 Hz or lower – Flat response	129 peak

2) Monitoring.

- a. The permittee shall monitor all blasts at the closest location to the blast of any dwelling, public building, place of employment, school, church or community or institutional building outside and beyond the permittee explosives use area, provided, however, that the permittee may monitor, at another location, approximately the same distance from the blast site, if the permittee is unable to obtain permission to conduct the monitoring from the owner of the preferred location. The Town Board or its designee may, at its discretion, require the relocation of monitoring equipment to a more suitable site and/or may conduct independent air-blast monitoring to spot-check data supplied by the permittee. If independent monitoring by the Town after hearing discloses that this Chapter was violated by the permittee, then in that event, the permittee shall pay the reasonable costs incurred by the Town for the independent monitoring. Upon receiving and approving billings for such expenses, the Town shall cause notice of the expenses to be mailed to the permittee, who shall reimburse the Town for such expenses within thirty (30) days after receipt of such notice.
 - b. The measuring equipment used shall have an upper end flat frequency response of at least two hundred (200) Hz.
 - c. All measuring equipment during monitoring shall be spiked to the ground or sandbagged.
- f) **Flyrock.** Flyrock produced as a result of explosives use shall be totally contained within the permitted explosives use area.

g) **Ground Vibration.**

1) General.

- a. The maximum ground vibration at the location of any dwelling, public building, place of employment, school, church or community or institutional building outside or beyond the permitted explosives use area shall have a maximum peak-particle-velocity limit as provided by the Department, the scaled-distance equation provided by the Department, or the blasting level chart provided by the Department, whichever is applicable hereunder.

- b. All structures in the vicinity of the permitted explosives use area, not listed in Subsection (g)(1), such as water towers, pipelines and other utilities, tunnels, dams, impoundments and underground mines shall be protected from damage by establishment by the permit holder of a maximum allowable limit on the ground vibration. The permit holder shall establish the limit after consulting with the owner of the structure.

2) Seismic Monitoring.

- a. The Town Board, in its discretion, may conduct independent seismic blast monitoring to spot-check data supplied by the permit holder. If the independent monitoring was done after good cause was shown therefore and after the permittee was given notice and an opportunity to be heard on the matter, the permittee shall be liable to the Town for all expenses incurred by the Town as a result of such independent monitoring. Upon receiving and approving billings for such expenses, the Town shall cause notice of the expenses to be mailed to the permittee, who shall reimburse the Town for such expenses within thirty (30) days after receipt of such notice.
- b. The Town Board, upon good cause shown and after giving the permittee notice and an opportunity to be heard, may request analysis of records and data for any or all blasts which occurred within the permitted explosives use area.

3) Preblasting Notification.

- a. Each explosives use permit application and all reapplications shall include the names and addresses of all residents or owners of dwellings or other structures located within an area affected by the permitted explosives use. The affected area shall be determined based on the maximum pounds of explosive per eight (8) MS delay from the previous three (3) years' high. This calculation's square root x one hundred (100) shall determine the affected in area in feet. This calculation shall be the maximum distance from the boundary of the quarry where a preblast survey may be requested. One thousand (1,000) feet shall be the minimum distance for which a preblast survey may be requested regardless of the above calculation. Residents outside of these boundaries may petition the Town Board for a preblast survey, with the survey to be at the quarry operator's expense. Residents denied this preblast survey may, at their own expenses, secure a survey by a company acceptable to the quarry operator. The quarry operator may not unreasonably reject the company proposed to perform the survey. The surveys performed in this paragraph will serve as the basis for damage claims against the quarry operator. The blasting logs used to determine the previous three (3) years' high, as references in this Subsection, are available for inspection from the Town Clerk. [See Section 7-5-3(b)(5)]
- b. At the time of permit application, the applicant shall have notified, in writing, all residents or owners of dwellings or other structures located within the affected area, previously defined in Subsection (g)(3)a immediately above, who may request a preblast survey. All preblast surveys shall include a water quality test for existing wells. The applicant shall cause a preblast survey to be conducted as to such

dwellings or structures, and extensive water quality testing for existing wells, provided, however, that the applicant shall not be required to conduct a preblast survey more than once every six (6) years and a well water quality test more than once every four (4) years. The applicant or permittee are responsible for the costs of all requested preblast surveys and water quality tests.

- c. The survey shall include a written report signed by the person who conducted the survey. Copies of the survey report shall be promptly provided to the Town Clerk, the owner or resident, and the applicant/permittee. The owner, resident or applicant/permittee shall promptly submit in writing to the Town any objections to the survey report, setting forth in detail such objections.
- d. The owner of a dwelling or structure that is within the affected area defined in Subsection (3)(a) above, who subsequent to the preblast survey has substantially modified or improved the dwelling or structure by fifty percent (50%) or more of the fair market value may request a new preblast survey. If it is found that a preblast survey is appropriate, the permittee may conduct such surveys within a reasonable period of time, but not exceeding twice a year for all such requested by all owners. These updated surveys shall be requested in writing submitted to the Town Board, which shall promptly notify the permittee of the request.
- e. All expenses incurred as a result of such independent surveys shall be the responsibility of the applicant/permittee. Upon receiving and approving billings for such expenses, the Town shall cause notice of the expenses to be mailed to the applicant/permittee, who shall reimburse the Town for such expenses within thirty (30) days after receipt of such notice.

SEC. 7-5-6 APPLICABILITY.

- a. **Effective Date.** All use of explosives and blasting activity conducted in the Town on or after the date of original adoption of this Chapter shall be subject to the provisions of this Chapter. Existing operations of whatever nature, including without limitation nonmetallic mining operations, shall comply with the terms of this Chapter.
- b. **Other Ordinances.** Where the provisions of this Chapter conflict with any provisions of any other Town Ordinance, the provisions of this Chapter, if more restrictive than those of the other ordinances, shall control and shall supersede the provisions of the other ordinances.
- c. **State and Federal Laws.** Where the provisions of this Chapter conflict with the provisions of any applicable State or Federal law or regulation, the provisions of the most restrictive Ordinance, Statute or Regulation shall control, to the extent permitted by State and Federal law.

SEC. 7-8-1 PERMITS FOR LARGE PUBLIC GATHERINGS.

a) **Intent.**

- 1) It is the purpose of the Town Board to regulate the assemblage of large numbers of people, in excess of those normally needing the health, sanitary, fire, police, transportation and utility services regularly provided in the Town, in order that the health, safety and welfare of all persons in the Town, residents and visitors alike, may be protected.
- 2) The purpose and intent of this Section is to establish site approval for locations in the Town used temporarily for large gatherings, as defined in Subsection (b) below, it being recognized that the character and type of such gatherings vary widely and the facilities required to carry out the general purpose and intent of this Section should be the subject of a Public Gathering Permit issued only after public hearing and a determination by the Board that there will be compliance with the standards set forth in this Section.

d) **Permit Required.** No person shall permit, maintain, promote, conduct, advertise, act as entrepreneur, undertake, organize, manage or sell or give away tickets to an actual or reasonably anticipated large gathering, whether on public or private property, unless a Public Gathering Permit to hold the assembly has first been issued by the Town Board. A permit to hold an assembly issued to one person shall permit any person to engage in any lawful activity in connection with the holding of the licensed assembly.

e) **Application for Permit.**

SEC. 7-9-1 PURPOSE.

- a) Adult-oriented establishments require special supervision in order to protect and preserve the health, safety, and welfare of the patrons of such establishments as well as the citizens of the Town.
- b) The Town Board finds that adult-oriented establishments may be used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature.
- c) It has been found in Milwaukee and Kenosha Counties, Wisconsin; Chattanooga, Tennessee; Newport News, Virginia; and Marion County, Indiana, to name a few locales, that the viewing booths in adult-oriented establishments have been and are being used by patrons for engaging in sexual acts, particularly between males, including but not limited to, intercourse, sodomy, oral copulation and masturbation, resulting in unsafe and unsanitary conditions in said booths.
- d) Acquired Immune Deficiency Syndrome (AIDS) is a sexually-transmitted disease that destroys the body's immune system, and has no known cure. Statistics from the State of Wisconsin have indicated an increase in the number of AIDS cases in the state. The concern over sexually-transmitted diseases is a legitimate health concern of the Town that demands reasonable regulation of adult-oriented establishments in order to protect the health and well-being of the Town.
- e) Licensing is a legitimate means of accountability to ensure that operators of adult-oriented establishments comply with reasonable regulations and to insure that operators do not knowingly allow their establishments to be used as places of illegal sexual activity or solicitation.
- f) Adult-oriented establishments, because of their very nature, have a deleterious effect on both the existing establishments around them and the surrounding residential areas adjacent to them.
- g) Adult-oriented establishments, due to their very nature, have serious objectionable operational characteristics, particularly when they are located in proximity to each other, thereby contributing to blight and downgrading the quality of life in the adjacent area.

- h) The Town Board wants to prevent these adverse effects and thereby protect the health, safety, and welfare of Town residents; protect residents from increased crime; preserve the quality of life; preserve the property values and character of the surrounding neighborhoods; and deter the spread of blight.
- i) It is not the intent of this Chapter to suppress any speech activities protected by the First Amendment, but to enact a content neutral ordinance that addresses the secondary effects of adult-oriented establishments as well as the health problems associated with such establishments.
- j) It is not the intent of the Town Board to condone or legitimize the distribution of obscene materials, and the Board recognizes that state and federal laws prohibit the distribution of obscene materials and expects and encourages state enforcement officials to enforce state and federal obscenity statutes against any such illegal activities in the Town.

SEC. 7-9-2 AUTHORITY.

The Town Board has the specific authority, powers, and duties pursuant to adoption of its Village powers under Sec. 60.10, Wis. Stats., to regulate and control certain uses, activities, establishments and operations in the Town of Fond du Lac.

SEC 7-11-7 SEVERABILITY.

Should any portion of this ordinance be declared invalid or unconstitutional by a court of competent jurisdiction, such a decision shall not affect the validity of any other provisions of this ordinance.

SEC 7-11-8 EFFECTIVE DATE AND PUBLICATION.

This ordinance shall become effective upon adoption and publication as required under Wis. Stat. §60.80. The Town Clerk and Town Attorney are hereby authorized and directed to incorporate this ordinance into Title 7 of the Town's Code of Ordinances.
